

March 7, 2018

Hello all,

We all know that Scleroderma can present many challenges – especially for the newly diagnosed. There is such value in joining together with others who understand the realities of Scleroderma, and providing support to each other. **Please plan to attend our next support group meeting**, which will be held on Wednesday, March 21, at 7 pm at Westgate Mennonite Collegiate (86 West Gate, Winnipeg, R3C 2E1).

(For those of you, who are out of town, we will be investigating the opportunity for you to join remotely for future meetings).

Annual Scleroderma MB Education Day – May 26, 2018, CanadInn, Pembina Hwy, Winnipeg

Plans are underway for a great day, including information on the newest Scleroderma medical research, a report from the International Sclerosis Conference in Bordeaux, France, and lots of information to help Scleroderma patients with every-day struggles such as wound care, tools for independent living, and more. More details and registration info will be available soon.

MARK YOUR CALENDAR!

The 4th Annual Walk/Run in the Park for Scleroderma will be held on Sunday, June 24. We hope to see you there!

Future Support Group Meetings are planned for Tuesday, Oct 16 at 7 pm, and Saturday, November 17 at 1:30 pm. (Location and other details to be determined).

The Annual Scleroderma Conference will be held September 21 and 22 in Calgary, AB. More information is available at sclerodermaconference.ca

Warm regards,
